MEET OUR RETREAT COORDINATOR

BROOKE WYAND

If you've ever wondered what bottled up sunshine feels like, just wait until you meet Brooke. A yoga teacher, holistic nutrition enthusiast, astrology fanatic, and queen of all things organization and planning (thanks to her Virgo stellium ;)), Brooke will be supporting all retreat logistics, onboarding, and helping all run smoothly.

IMPORTANT NOTES

Payment plans are available.

Rooms are reserved on a first come, first serve basis.

Solo travelers warmly welcomed. The retreat environment is designed to foster community so although you'll be traveling alone, you'll be far from "lonely."

We will be in two separate homes on the same expansive property, each with their own private pools and common areas. Practices and meals will still be shared as a large group.

Located about 30-40 minutes from Palma airport. Car hire is essential and there is parking for a maximum of two cars. Smaller cars are better suited to the road that leads up to the property. One can walk to Deia (35 minutes) or take taxis if desired. Our retreat coordinator, Brooke, will organize two shuttles from Palma airport on July 23rd as well as a shuttle back to the airport on the 27th for those who prefer not to drive. Cost of transportation not included.

There are various beaches in the area but the easiest to get to is Cala Deia, a rocky cove with two restaurants, which is a 15 minute drive from the property.

No matter your age, size, background or flexibility - we welcome you with open hearts and minds.
